

Faculty

Erik Arstad, Professor of Radiochemistry, Department of Imaging, UCL London, UK

Owen Arthurs, Professor of Paediatric Radiology, Consultant Paediatric Radiologist at Great Ormond Street Hospital and UCL Institute of Child Health, London, UK

Torsten Baldeweg, Professor of Developmental Cognitive Neuroscience, Developmental Neurosciences Dept, Great Ormond Street Hospital and UCL Institute of Child Health, London, UK

Gareth Barker, Professor of Magnetic Resonance Physics, Kings College London, London, UK

Sallie Baxendale, Associate Professor of Neuropsychology, Consultant Neuropsychologist, UCL Queen Square Institute of Neurology, University College London and UCLH Hospitals NHS Trust, London, UK

Hannah Bergmann, Radiographer, UCL Institute of Neurology, London, UK

Andrea Bernasconi, Professor of Neurology, Department of Neurology and Neurosurgery, Director of Neuroimaging of Epilepsy Laboratory, McConnell Brain Imaging Center, McGill University, Montreal, Canada

Neda Bernasconi-Lebon, Professor of Neurology, Department of Neurology and Neurosurgery, Director of Neuroimaging of Epilepsy Laboratory, McConnell Brain Imaging Center, McGill University, Montreal, Canada

Lawrence Binding, Researcher, UCL Computer Science, CMIC, and UCL Queen Square Institute of Neurology, London, UK

Silvia Bonelli, Privatdozent and Consultant Neurologist, Medical University of Vienna, Austria

Martina Callaghan, Professor of Magnetic Resonance Physics, Head of Department of Imaging Neuroscience and Head of Physics, Wellcome Centre for Human Neuroimaging, UCL, London, UK

Lorenzo Caciagli, Post-doctoral Research Assistant, University of Pennsylvania, and UCL Queen Square Institute of Neurology, London, UK

Maria Centeno, Consultant Neurologist, Unidad de Epilepsia at Hospital Clínic de Barcelona, Spain

John Duncan, Professor of Neurology, UCL Institute of Neurology, London, UK

Marian Galovic, Consultant Neurologist and Head of Epilepsy Unit at University Hospital Zurich, Switzerland

Khalid Hamandi, Professor of Neurology and Consultant Neurologist, Division of Psychological Medicine and Clinical Neuroscience, Cardiff, UK

Alexander Hammers, Professor of Imaging and Neuroscience, Head of PET Imaging Centre, St Thomas' Hospital, London, UK

Andrea Hill, Super-intendant Radiographer, UCL Institute of Neurology, London, UK

Baris Kanber, Researcher, UCL Computer Science, CMIC, UCL Institute of Neurology, London, UK

Matthias Koepp, Professor of Neurology, UCL Institute of Neurology, London, UK

Teresa Ravazini, Head of Unit of Pathophysiology of Neuron-Glia Communication, Istituto di Ricerche Farmacologiche Mario Negri IRCCS, Milano, Italy

Kerstin Sander, Senior Lecturer, Department of Imaging, UCL London, UK

Meneka Sidhu, Consultant Neurologist and Honorary Senior Lecturer, UCL Queen Square Institute of Neurology, University College London and UCLH Hospitals NHS Trust, London, UK

Sanjay Sisodiya, Professor of Neurology, UCL Institute of Neurology, London, UK

Karen Trimmel, Consultant Neurologist, Medical University of Vienna, Austria

Maria Thom, Professor of Neuropathology, UCL Institute of Neurology, London, UK

Natalie Voets, Associate Professor. Principal Investigator, FMRIB Centre/WIN, Oxford, UK

Christian Vollmar, Privatdozent and Oberarzt, Klinikum der Universität München, Germany

Britta Wandschneider, Consultant Neurologist, Royal London Hospital, London, UK

Friedrich Woermann, Oberarzt, MRI Unit, Epilepsiezentrum Bethel, Bielefeld, Germany

Fenglai Xiao, Research Assistant, UCL Queen Square Institute of Neurology, London, UK
